EXHIBITION PACKAGE

We invite you to join the list of exhibitors at this year's conference as a contributor and industry player in the acceleration of Africa's manufacturing industry. This year's conference will run from
28 October to 31 October
at the **Boardwalk Hotel and Conference Venue, Gqeberha, South Africa.**

This conference will bring together experts from industry, R&D institutions, academia, and students in additive manufacturing, materials engineering, rapid product development, pattern recognition, robotics, and mechatronics to present research, network, and expand the fraternity that has been built by the previous conferences.

*The theme of the 2024 conference is: **Unlocking Advanced Manufacturing***
